**Certificate of Marketability no. 04060549**

In my capacity as pharmacist and state-examined food chemist, and in my capacity as publicly appointed and sworn expert for foods, pharmaceuticals and cosmetics, appointed by the Chamber of Industry and Commerce (IHK) in Germany and officially appointed pharmacist and counter-opinion expert for the Federal Institute of Pharmaceuticals and Medical Products, and as Production and Controlling Manager pursuant to Section 15 of the German Pharmaceuticals Act (AMG), I hereby confirm that the documents submitted to me on 16.01.03, 28.02.03, 17.03.03 and 09.06.04 with regard to the product,

Detox Patch

which is marketed by

VIP Domotec GmbH

confirm the marketability, with regard to its ingredient composition, of the product as a commodity in accordance with currently effective evaluation criteria, provided that no substances that may be harmful to health are transferred to the user from the ingredient of "wood vinegar".
